**IT** Il primo modello creato da CCE, dimensioni ridotte e fissaggio rapido tramite chiodi premontati. Ideale per porte in legno dove gli spazi per la guarnizione automatica sono molto ristretti.

**DE** Das allererste Modell von CCE, kompakte Abmessungen und schnelle Befestigung mit vormontierten Nägeln. Ideal für Holztüren mit wenig Raum für automatische Türdichtungen.

**FR** Le premier modèle créé par CCE, dimensions réduites et fixation rapide grâce aux clous préinstallés. Idéal pour les portes en bois où les espaces pour une plinthe automatique sont réduits.

**ES** El primer modelo creado por CCE, con tamaño reducido y fijación rápida mediante clavos premontados. Ideal para puertas de madera donde los espacios para la junta automática son muy reducidos.

**RU** CCE,
